The Stronghold Difference: Hope Without Hype, Guidance Without Judgement Chambers Jc

Stronghold was created in 1993 to offer Hope, the hope of real healing for those hurting in a broken world. Healing never takes place alone. Many times it is the result of deliberate, intentional, caring service from committed professionals with years of experience; professional counselors who have already helped hundreds in similar situations. This hope is the foundation of the Stronghold experience.

Hope Without Hype

Healing is never easy. There is no quick fix. It is often times painful. It does not happen overnight. But real, life-changing healing can and does happen regardless of what often may seem like a mountain of overwhelming circumstances. True, we don't know what you're going through. But at Stronghold, you'll never have to face it alone.

Guidance Without Judgement

Stronghold was founded on a philosophy of non-judgmental counseling. Before healing can happen, open communication must take place in a safe environment free of judgment. Stronghold provides a "judgment-free" zone where individuals and families can honestly open up, often for the first time without any fear of repercussions.
