## *A Marriage of Inconvenience!*

After a storm strands her overnight in Will Slade's cabin, Blythe Granville's reputation is in shambles. The townspeople doubt that she was innocently nursing him back to health after saving his life. Now Blythe must accept Will's proposal: a marriage in name only to save her good name. But the former socialite is determined not to fall for her new husband...even if she's drawn to the gruff stranger who's vowed to stand by her, in sickness and in health.

Will never wanted to remarry after his ex-wife betrayed him. But now he finds himself hitched to a city girl who has no idea how to keep a house...but is somehow chiseling her way into his heart. As Blythe melts Will's crusty facade, though, they're discovering that this most unexpected union might just lead to true love.
