Legendary instructor Harvey Penick enchanted students with his homespun approach to golf. He also mentored a small core of successful teachers who now carry on his simplicity, humor, and rock-solid belief in the fundamentals. One of his students, Barbara Puett, together with Jim Apfelbaum, has written a book that demystifies golf's complexities from a woman's unique perspective. *A Woman's Own Golf Book* acknowledges that millions of women attracted to the game have other demands on their time. A companion to Puett's sold-out clinics and seminars, the book features beautiful illustrations, and a package that like the memory of her beloved teacher, will stand the test of time.
