## Australian Poetry Since 1788

The first of its kind, this landmark poetry anthology contains the work of Australia's major poets as well as lesser-known but equally affecting writers of Australian poetry since 1788. Ranging from concrete to prose poems, from the cerebral to the naïve, from the humorous to the confessional, and from formal to free verse, this work also features translations of some striking Aboriginal song poems. With pieces from 170 Australian poets, as well as short critical biographies, this careful reevaluation of Australian poetry makes this a superb book that can be read and enjoyed over a lifetime.
