## **California Legal Research Handbook** Larry D. Dershem

This easy to read reference book is designed to teach attorneys, paralegals, law students, and others everything they need to know to perform competent legal research on both the state and federal level, and is geared for California and federal law practitioners. Readers will learn the techniques used by experts to zero in on case law, statutes, and administrative law to win their cases. Both traditional book based legal research, as well as Internet based legal research are covered. A student study guide and instructor handbook are available for a small additional charge, making the book ideally suited for classroom instruction.
