### **WE ALL HAVE OUR DEMONS**

By March of Owen Edmonds' senior year, eleven students at Lincoln Forest High School have committed suicide. Amid the media frenzy and fanatical onlookers, Owen remains levelheaded - that is until he encounters his own near death experience and wakes to a distressing new reality.

Everyone he sees appears shackled and enslaved.

While frantically seeking to cure his crazed hallucinations, Owen's delusions become even more sinister when he witnesses what appears to be an unseen army of hideous, towering beings. These Creepers, as he calls them, are preying upon people, including his classmates and girlfriend, tormenting and inciting humanity to self-destruct.

Owen eventually arrives at a mind-bending conclusion: He's not merely imagining forces of evil at work. Everyone else is blind to the evil that is.

He must warn others and rescue those he loves -- a difficult mission when no one will believe him.

Take this heart-pounding journey through Owen Edmonds' eyes and decide for yourself: *Are wicked forces after me?*

Laura Gallier's debut novel will leave you on the edge of your seat and begging for more.
