A global apocalypse is coming-and may be imminent! The Bible predicts a looming Armageddon that brings cataclysmic destruction, worldwide holocaust, and spiritual warfare, reaching a climactic showdown while the fate of the world hangs in the balance. Jesus warned this seven-year era of doom will be unlike any period in human history, making it the ultimate end-times, epic thriller. All of this leaves critical questions to be answered: Will this apocalypse bring the end of the world as we know it? How soon will it hit? How could a good God allow this kind of global disaster as part of his perfect plan? How will this approaching Armageddon affect us? What can we do to prepare for it? In *The Impending Apocalypse*, theologian and Bible professor John Claeys draws from his thorough research to reveal the surprising answers. Journey through these pages to prepare yourself for what is certainly coming, and you will discover God and his future plan in a fresh way.
