Grow Your Church from the Outside in: Understanding the Unchurch and How to Reach Them

George Barna

George Barna reveals that America has more unchurched people than the entire population of all but 11 of the world's 194 nations! Based on research among several thousand unchurched people, the book discusses their values, attitudes, beliefs, religious practices, demographics, life goals, and spiritual expectations. Using additional research conducted among churches that have had great success in attracting and retaining unchurched people, Barna sets forth new perspectives and effective strategies for churches that wish to reach those who avoid church. By understanding what makes the unchurched tick, we have a better chance of relating to them in meaningful ways.
