Co-published with the Canadian Education Centre Network, this resource showcases distance learning opportunities throughout Canada from undergraduate and graduate programs to certificate and short courses. The guide features a complete range of academic programs including business, engineering, arts, sciences, education and health. In-depth profiles provide information on admissions, expenses, student support, programs offered and program delivery. Several indices make finding the right program by academic area, delivery mode, post secondary level or geographic area quick and easy. Expert articles contributed by organizations such as the Canadian Association for Distance Education on evaluating a school and learning by distance education enhance this comprehensive resource.
