In 1978, modern life has yet to reach Nepal, where Cecily Havenshack lives a palatial life with her U.S. diplomat husband. From years of wandering the old bazaar, Cecily has become immersed in Kathmandu's sensory excesses and exotic street scenes. As monsoon saturates the valley, Cecily seeks transformation and adventure. But in a place as old as belief, Cecily is not in charge of her own fate. She is shanghaied by a stranger who forces her onto a trek through mountains and monsoon. When things begin to go wrong, Cecily seems an unlikely survivor of such madness.

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just little students that has reading's soul or real their hobby. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that looking at is not important, boring and also can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Monsoon Madness can make you feel more interested to read.
