Want to win the deer war? Love your garden plants but live in an area with hungry deer that are notorious for munching your favorite garden plants? *Preventing Deer Damage* offers successful defensive strategies using natural homemade products, fences and barriers, mechanical noise makers, scent repellents, and other least-toxic products. Now you can enjoy the garden of your dreams and also cohabit with deer.

The more you understand deer habits, the easier it is to choose the best methods to prevent the destruction of your landscape. Often, a single solution is not the answer, but several deterrents will be effective when used together.

This informative book includes selections of plants that deer usually avoid, ones they occasionally eat, and those they love to eat. With *Preventing Deer Damage*, you can live in deer country and still grow the plants that you and deer both love without worrying about when your plants will be the next free meal.
