**Sun of Righteousness, Arise!: God's Future for Humanity and the Earth** Jurgen Moltmann

The astonishing theological creativity of Jurgen Moltmann continues in this new work, a vision of the Christian future, centered in God, God's reign, and God's justice or righteousness.

Moltmann here brings together the biblical, historical, and theological elements of a new integrated Christian vision of the world, especially in light of our contemporary understandings of nature and the evolving universe. Anchored in the resurrection of Jesus, such a vision affirms that God is the God of resurrection promise, God is present in justice and righteousness, Jesus is the son of righteousness, and nature can be seen as the site of God's work toward the fulfillment of life. Here is a theological vision that can integrate our faith, inform our worldview, and fuel our life engagements.
