## **The Eternal Footman** James Morrow

God's body has self-destructed and His skull is now in orbit directly above Times Square, prompting a plague of "death awareness" across the Western hemisphere. The United States begins to resemble fourteenth-century Europe during the Black Death—with some unique twenty-first-century twists—a bloody battle on a New Jersey golf course between Jews and anti-Semites; a modern theater troupe's stirring dramatization of the Gilgamesh epic; a post-death debate between Martin Luther and Erasmus; and the most chilling capitalist villain ever, Dr. Adrian Lucido, founder of a new pagan church and inventor of a cure worse than any disease. Two people fight to preserve life and sanity, Nora Burkhart, a schoolteacher who will stop at nothing to save her only son, and Gerard Korty, a brilliant sculptor struggling to create a masterwork that will heal the metaphysical wounds caused by God's abdication. The Eternal Footman brilliantly completes James Morrow's satiric trilogy begun with the World Fantasy Award-winning Towing Jehovah and continued in Blameless in Abaddon.
