Going The Distance For Love: A Pair Of Christian Western Romances Sarah Good

Lessons Taught By A Child, is a love story about a widow and her child escaping the loneliness of their life by setting out on horseback to another town where they hope to find a new beginning. A rancher offers them a place to stay and a job, but both of their past lives hold them back from their developing feelings for each other, and true, selfless love. A Patchwork Of Love is about a young woman escaping an abusive situation, a man trying to forget his past, and a train headed west to California in the last quarter of the nineteenth century. Along the way, they find both each other, and a mystery. There is a lovely twisty ending to this story and the results of not judging a book by its cover.
