**A field guide to the birds of Belize, Guatemala, El Salvador, and Honduras, abundantly illustrated and with comprehensive coverage of both endemic and migrant birds**

Birding is one of the fastest-growing sectors of the tourism industry in northern Central America, and this is the newest and best bird field guide to this region—the first new bird guide in over ten years for the countries of Belize, Guatemala, Honduras, and El Salvador. This guide is far more complete than previous ones, with more than 800 species accounts, full-color range maps, and 1,000 beautiful illustrations and behavioral vignettes covering all species recorded in the region.

This guide is designed for birders to carry in the field, and it is a must-have for any birder who visits the area.
