## Helping Readers Succeed in Management Information Systems

As technology continues to change the way organizations do business, knowledge of MIS is critical. **Using MIS** shows readers how organizations use information systems to solve business problems every day. Illustrative cases, exercises, projects, and other aids ensure your readers connect concepts to everyday life. Unique guides in each chapter highlight themes in ethics, security, and other timely topics. The 2026? feature hypothesizes how the concepts, technology, and systems will change over the next decade to help readers anticipate changes in technology and think about how those affect business.

Every year brings important new technology to organizations and the **Ninth Edition** reflects these trends, providing the latest MIS content available, keeping your readers up to date and knowledgeable on how to apply emerging technologies to better achieve their organizations' strategies.
