Vintage Angels Coloring book is a compilation of 27 Vintage Angel pictures in Grayscale and 3 modern Angel designs. Grayscale coloring allows the colorist to create stunning pieces of art with just coloring over the gray areas. Color dark areas with dark colors and light areas with light colors. My favorite way to color Grayscale is to find a design that I love and copy to 90 lb Watercolor paper! I use Derwent Inktense Pencils and blend colors with a small damp brush. You can find the Inktense pencils here on Amazon. The Results are AMAZING! I hope you enjoy adding color to these Angels.
