Assistantships and Graduate Fellowships brings together a wealth of information about resources available for graduate study in mathematical sciences departments in the U.S. and Canada. Information on the number of faculty, graduate students, and degrees awarded (bachelor's, master's, and doctoral) is listed for each department when provided. Stipend amounts and the number of awards available are given, as well as information about foreign language requirements. Numerous display advertisements from mathematical sciences departments throughout the country provide additional information. Also listed are sources of support for graduate study and travel, summer internships, and graduate study in the U.S. for foreign nationals. Finally, a list of reference publications for fellowship information makes Assistantships and Graduate Fellowships a centralized and comprehensive resource.

### **From reader reviews:**

#### **Cheryl Cooley:**

In other case, little folks like to read book Assistantships and Graduate Fellowships in the Mathematical Sciences, 1998-1999. You can choose the best book if you like reading a book. Given that we know about how is important a new book Assistantships and Graduate Fellowships in the Mathematical Sciences, 1998-1999. You can add understanding and of course you can around the world by the book. Absolutely right, since from book you can know everything! From your country until finally foreign or abroad you can be known. About simple factor until wonderful thing you may know that. In this era, we can open a book or even searching by internet product. It is called e-book. You can use it when you feel bored to go to the library. Let's examine.

#### **Deborah Walker:**

The experience that you get from Assistantships and Graduate Fellowships in the Mathematical Sciences, 1998-1999 is a more deep you searching the information that hide in the words the more you get considering reading it. It does not mean that this book is hard to recognise but Assistantships and Graduate Fellowships in the Mathematical Sciences, 1998-1999 giving you joy feeling of reading. The article author conveys their point in a number of way that can be understood by anyone who read that because the author of this reserve is well-known enough. This specific book also makes your vocabulary increase well. Making it easy to understand then can go to you, both in printed or e-book style are available. We suggest you for having this particular Assistantships and Graduate Fellowships in the Mathematical Sciences, 1998-1999 instantly.

#### **Kimberly Foust:**

Precisely why? Because this Assistantships and Graduate Fellowships in the Mathematical Sciences, 1998-1999 is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will surprise you with the secret the idea inside. Reading this book alongside it was fantastic author who all write the book in such incredible way makes the content inside easier to understand, entertaining way but still convey the meaning completely.
