GCSE Biology (GCSE in a Week) John Parker

This brand new series of the unique timed revision programme contains a wealth of new features to ensure the information sinks in fast and that you get the best results in the shortest time. Each timed revision guide is divided into manageable 'day' sections and covers essential GCSE topics in easy-to-digest double page spreads. Each topic outlines the time you should spend on it and combines clear and concise explanations, flow charts, spidergrams and illustrations with progress check questions and answers. There are also mini comic strips to help you memorise core concepts, and a set of handy tear out quiz cards containing last-minute key facts, definitions, terminology and diagrams.
