Donald Keene

Seeds in the Heart: Japanese Literature from Earliest Times to the Late Sixteenth Century Donald Keene

Donald Keene employs his prodigious wealth of knowledge, critical insight, and narrative aplomb to guide readers through the first nine hundred years of Japanese literature—a period that not only defined the unique properties of Japanese prosody and prose but also produced some of its greatest works. Covering courtly fiction, Buddhist writings, war tales, diaries, poems, and more, *Seeds in the Heart* explores a vast and variegated treasury of writings. Detailed textual examinations of classic texts—from the *Kojiki* to *The Tale of Genji*, from *The Pillow Book of Sei Shônagon* to Zeami's Nô plays—allow students, lay readers, and scholars a new understanding and enjoyment of this great literature.
