**Twisted Sisters Jen Lancaster**

**New York Times** bestselling author Jen Lancaster is “as adept at fiction as she is at telling her own stories” (*Publishers Weekly*, starred review). And now in her new novel, reality gets an unreal makeover...

Reagan Bishop is a pusher. A licensed psychologist who stars on the Wendy Winsberg cable breakout show *I Need a Push*, Reagan helps participants become their best selves by urging them to overcome obstacles and change behaviors. An overachiever, Reagan is used to delivering results.

Despite her overwhelming professional success, Reagan never seems to earn her family’s respect. Her younger sister, Geri, is and always will be the Bishop family favorite. When a national network buys Reagan’s show, the pressures for unreasonably quick results and higher ratings mount. But Reagan’s a clinician, not a magician, and fears witnessing her own personal failings in prime time. (And seriously? Her family will never let her hear the end of it.) Desperate to make the show work and keep her family at bay, Reagan actually listens when the show’s New Age healer offers an unconventional solution...

Record Nielsen ratings follow. But when Reagan decides to use her newfound power to teach everyone a lesson about sibling rivalry, she’s the one who will be schooled...
