Winsor McCay

**Daydreams and Nightmares: The Fantastic Visions of Winsor McCay, 1898-1934** Winsor McCay *Daydreams & Nightmares* collects the rarest work from Little Nemo In Slumberland creator Winsor McCay's historic career. A fantasist of the first rank, McCay was a key pioneer in the histories of both comics and animation. He had a fascination with dreams that extended beyond his newspaper strip *Little Nemo in Slumberland*, and it was a fascination as compelling as that of Freud, Jung and Adler's, as proven in the pages of *Daydreams & Nightmares*. McCay's dream-inspired strips, illustrations and cartoons feature rarebit-induced nightmares, playful "what-ifs," moralistic panoramas, pictorial allegories and other fantastic visions. The highlights of the book are McCay's *Dream of the Rarebit Fiend* strips created for the *New York Evening Telegram* in 1905, as well as early efforts like *A Pilgrim's Progress*, *Poor Jake*, *Day Dreams*, *Rabid Reveries*, *Little Sammy Sneeze* ("He never knew when it was coming!") and more.

The artwork in this book includes outstanding examples from several categories of McCay's career: illustrations from his first paper, the *Cincinnati Enquirer*; anti-war and anti-materialist cartoons; playful strips for *Life* magazine; early dream sequences; futuristic illustrations for the *New York Herald*; and allegorical and editorial cartoons for the Hearst newspapers. The book spans the years 1898-1934, the bulk of McCay's career.

McCay's world was the world of playfulness and whimsy that most leave behind in youth and encounter again only in dreams; *Daydreams & Nightmares* is a tour through that world.
