Monster on the Hill Rob Harrell

- Top Shelf is proud to announce the arrival of Rob Harrell, creator of the syndicated comic strip *Big Top*, and his first graphic novel series, *Monster on the Hill*. In a fantastical 1860s England, every quiet little township is terrorized by a ferocious monster — much to the townsfolk's delight! Each town's unique monster is a source of local pride, not to mention tourism. Each town, that is... except for one. Unfortunately, for the people of Stoker-on-Avon, their monster isn't quite as impressive. In fact, he's a little down in the dumps. Can the morose Rayburn get a monstrous makeover and become a proper horror? It's up to the eccentric Dr. Charles Wilkie and plucky street urchin Timothy to get him up to snuff, before a greater threat turns the whole town to kindling! Monsters of all ages are sure to enjoy this tale about life's challenges, the power of friendship, and creative redemption, packed with epic battles and plenty of wild beasts!
- "Really fun, goofy, extremely silly fantasy for readers of all ages, crying out for reviewers and critics to make appalling puns of the 'monstrously good' variety." -- **Neil Gaiman**

From reader reviews:

Morris Reyna:

Book is definitely written, printed, or created for everything. You can understand everything you want by a reserve. Book has a different type. We all know that that book is important matter to bring us around the world. Adjacent to that you can your reading proficiency was fluently. A publication Monster on the Hill will make you to possibly be smarter. You can feel considerably more confidence if you can know about anything. But some of you think that open or reading some sort of book make you bored. It isn't make you fun. Why they are often thought like that? Have you in search of best book or ideal book with you?

Ben Papenfuss:

The actual book Monster on the Hill will bring someone to the new experience of reading the book. The author style to clarify the idea is very unique. In case you try to find new book you just read, this book very suitable to you. The book Monster on the Hill is much recommended to you you just read. You can also get the e-book from official web site, so you can quicker to read the book.

Samuel Lashley:

The reason why? Because this Monster on the Hill is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will distress you with the secret that inside. Reading this book alongside it was fantastic author who have write the book in such wonderful way makes the content inside easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of advantages than the other book get such as help improving your expertise and your critical thinking way. So , still want to postpone having that book? If I were being you I will go to the reserve store hurriedly.

Natalie Renz:

Reading can called imagination hangout, why? Because when you are reading a book particularly book entitled Monster on the Hill your head will drift away trough every dimension, wandering in most aspect that maybe unfamiliar for but surely can be your mind friends. Imaging every single word written in a publication then become one application form conclusion and explanation that will maybe you never get ahead of. The Monster on the Hill giving you yet another experience more than blown away your brain but also giving you useful details for your better life within this era. So now let us explain to you the relaxing pattern is your body and mind will probably be pleased when you are finished looking at it, like winning a game. Do you want to try this extraordinary spending spare time activity?
