Participatory Healthcare: A Person-Centered Approach to Healthcare Transformation (HIMSS Book Series)

Participatory Healthcare: A Person-Centered Approach to Healthcare Transformation (HIMSS Book Series)

This book is written through the lens of patients, caregivers, healthcare representatives and families, highlighting new models of interaction between providers and patients and what people would like in their healthcare experience. It will envision a new kind of healthcare system that recommends on how/why providers must connect to patients and families using HIT, as well as suggestions about new kinds of HIT capabilities and how they would redesign systems of care if they could. The book will emphasize best practices, and case studies, drawing conclusions about new models of care from the stories and input of patients and their families reinforced with clinical research.
