What are you thankful for?

De-stress, relax, and let this unique coloring book, be a gentle reminder of some wonderful things to be thankful for; no matter where you live, anytime of year! Each design has a fun shadowing effect that can help make the colors stand out. All designs can stand alone, but if read as a whole, they are each a line from the original poem; Thankful For. (Please note – this book does not contain turkeys and pilgrims, as with many traditional Thanksgiving books. However, it does capture the essence of the entire holiday season, as we reflect on all we are thankful for.) **For best results to maintain the shadowing effect, colored pencils or highlighters are recommended.
