## **The Further Adventures of Roger the Frog** James Sutherland

When Roger the Frog learns that his mother has been kidnapped by a mean old fox known as Wicked Lenny he sets out on a daring mission to rescue her.

Little does he know that his journey will be filled with perils galore, including a whole host of weird and wacky creatures, each of whom will test his feeble courage to the limits!

Will Roger survive the Mountains of Misery and the Lagoon of Doom? Will he manage to find Wicked Lenny's lair before it is too late? And even if he does, how can a puny and foolish little frog possibly triumph over the craftiest fox that ever lived?

Another crazy, comic caper from the writer of Norbert for kids aged 5+
