## **A Short History of Schools in the North Spencer Area** Thomas D. Brumett

A fascinating look at the history of education in the United States with a focus specifically on the North Spencer County Area of Indiana. This title contains unique reference material from the early 1800's through the mid-1970's. It presents many interesting facts related to teacher's compensation and conditions in the early classrooms of Indiana, as well as the structure and evolution of the local education system. In addition to providing a previously undocumented history of the area, it can also serve as a genealogical reference for researchers who are interested in early Spencer County Indiana.
