Chasing the Sun (Land of the Lone Star Series) Tracie Peterson

When her father disappears in war-torn Mississippi, Hannah Dandridge finds herself responsible not only for her younger siblings but also for the Texas ranch her father recently acquired. A marriage of convenience could ease her predicament...but is it the true desire of her heart?

Wounded soldier William Barnett returns home only to find out that his family's ranch has been seized. Though angered at this turn of events, he's surprised to discover that it is a beautiful young woman with amazing fortitude who is struggling to keep the place running.

Despite these circumstances, Hannah and William form an uneasy truce...and an undeniable attraction builds between them. In a land where loyalties are divided in a country ravaged by war, is there any hope that the first blush of love can survive?
