The Zombie Pinup Collection is a compendium of inventive photography from Gorgeous & Gory. For years their photography has helped the world to plan for the Apocalypse—and other daily occurrences—with their signature style: Dangerously deadly pinups are imagined in the fantastical balance between glamorous and gruesome. The picturesque undead are fashioned with both vintage precision and sensuous abandon. Set in a vibrant, surreal landscape, the locations range from agelessly elegant to decrepit decay. Now, all of the exquisitely bizarre beauty has been compiled into one essential anthology of over 200 photos. Included are images from all four calendars, plus many additional photos that have never been seen before. A special behind the scenes look has also been added. Lustfully arousing and surprisingly fun, this collection is essential for undead enthusiasts and pinup admirers alike.
