History of the Surrealist Movement Gerard Durozoi

"With its unprecedeted depth and range, this massive new history of Surrealism from veteran French philosopher and art critic Durozoi will be the one-volume standard for years to come. . . . The book discusses expertly the main surrealist artists like Jean Arp, Max Ernst, René Magritte, Yves Tanguy, Salvador Dalí and Joan Miró, but also treats with considerable understanding the surrealist writing by Louis Aragon, Paul Eluard, Robert Desnos, Julien Gracq and, of course, the so-called 'Pope of Surrealism,' André Breton. . . . This book should turn up in all serious collections on 20th century art."—*Publishers Weekly, starred review*

From Dada to the Automatists, and from Max Ernst to André Breton, Gérard Durozoi here provides the most comprehensive history of the Surrealist movement. Tracing the movement from its origins in the 1920s to its decline in the 1950s and 1960s, Durozoi tells the history of Surrealism through its activities, publications, and reviews, demonstrating its close ties to some of the most explosive political, as well as creative, debates of the twentieth century.

Drawing on a staggering amount of documentary and visual evidence—including 1,000 photos—Durozoi illuminates all the intellectual and artistic facets of the movement, from literature and philosophy to painting, photography, and film, thus making *History of the Surrealist Movement* its definitive encyclopedia.

From reader reviews:

Jeffery Whitley:

In other case, little men and women like to read book History of the Surrealist Movement. You can choose the best book if you like reading a book. Provided that we know about how is important a new book History of the Surrealist Movement. You can add understanding and of course you can around the world by way of a book. Absolutely right, because from book you can understand everything! From your country right up until foreign or abroad you will end up known. About simple issue until wonderful thing it is possible to know that. In this era, we could open a book or searching by internet product. It is called e-book. You may use it when you feel bored to go to the library. Let's read.

Dennis Gaines:

Nowadays reading books be than want or need but also work as a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book that improve your knowledge and information. The info you get based on what kind of publication you read, if you want drive more knowledge just go with education books but if you want really feel happy read one using theme for entertaining for instance comic or novel. The actual History of the Surrealist Movement is kind of e-book which is giving the reader erratic experience.

James Mace:

Do you like reading a guide? Confuse to looking for your preferred book? Or your book seemed to be rare? Why so many issue for the book? But almost any people feel that they enjoy for reading. Some people likes studying, not only science book but novel and History of the Surrealist Movement or maybe others sources were given knowledge for you. After you know how the great a book, you feel would like to read more and more. Science book was created for teacher as well as students especially. Those publications are helping them to increase their knowledge. In various other case, beside science e-book, any other book likes History of the Surrealist Movement to make your spare time considerably more colorful. Many types of book like here.

Michael Clements:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just minor students that has reading's soul or real their passion. They just do what the educator want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this History of the Surrealist Movement can make you really feel more interested to read.
