**How Foreigners Can Do Business in the USA: Find out your tax obligations, how to work legally, how to ship products from the U.S., and more** David Bryant

Do you currently run a business in a country besides the USA and you want to expand your business to the world's largest economy?

Are you an ecommerce company looking to use FBA (or another fulfillment service) in the USA?

Do you want to ship products from the United States without ever having to open an office or a warehouse?

Do you wonder what your tax obligations are in the U.S.?

Do you wonder what kind of work you can legally do in the U.S. and what type of work you cannot legally do?

This book will answer all of these questions and more and it's perfect for Canadians, Australians, Brits, and any other nationality looking to start or expand a business into the United States.

For over 10 years my Canadian company has done the vast majority of our business in the United States. We've done millions of dollars of commerce without ever opening an office or hiring anyone. You can too!

I'm neither a lawyer or an accountant, but I've spent a small fortune on their services figuring out how my company can legally operate in the United States. I will give you the straight no B.S. guide for doing business in the USA.
