Sexy Alpha Photographer meets Bratty Journalist When spoiled, mischievous, “full of moxie” Piper Zellar graduates from the prestigious John Hopkins University with a journalism degree, she’s given the chance of a lifetime from her new employer. Travel the eastern coastline and write a vacationer's guide. She has spent her life hiding behind a wild child attitude to mask a terrible personal hurt from her childhood, but she has no idea how her life is about to change. William Jones is a Dom who can make submissives weak in the knees with just his commands. Although he has been assigned as Piper's travel photographer, Billy is also on a journey of his own. He sees something in Piper no one else has seen before. Her true submissive side. Piper can sense there’s more to Billy than meets the eye. Soon she’ll find that she’s developed feelings for her Dom...but does he share those same feelings, or is she just his toy until their job is over.
