Finally, here is the breakthrough work that solves the mystery of UFOs and paranormal phenomena. After more than a half century of investigation, Éric Julien offers a global and scientific solution to one of the greatest challenge known to science. For Julien, the fractal nature of time and its three dimensions, led to the emergence of a revolutionary global theory: Absolute Relativity! Even though this work is of a scientific nature, the general public can easily understand it. The precise explanations in this book will highlight the mistakes of science and will furthermore offer insight into extraterrestrial technology, which the author calls Extratemporals. Diagrams are included. The Science of Extraterrestrials explains anti-gravitation, propulsion of UFOs, alien abductions, formation of crop circles, strange luminous phenomena, poltergeists, ghosts, post-mortem survival and time travel. All these phenomena are explained by this single unique concept. This book will undoubtedly create a philosophical revolution.
