Vegas Valentine Cartel: An Urban Romance M. Skye

Cree Olsen's life is pure, unadulterated hell. But in one night, Cree Olsen is dead and Ashley Valentine is born. Escaping her nightmare of a life, Cree, now known as Ashley, is swept up in the allure of Vegas living. That is, until she discovers her new husband, Dalton's deadly secret. Having hid his hustle from Ashley for over two years, once Dalton returns to his hometown, he has no choice but to show her the real Dalton Valentine, one of Vegas' most dangerous kingpins. While he is ready to assume his role as the leader of the Valentine legacy, his family's cartel, Ashley finds herself sucked into a world she never wanted to be a part of, and against all odds, Dalton puts her before everything; even his new position. When Dalton finds himself fighting for power against a rival cartel, he takes the streets by storm, with Ashley by his side. They're determined to crush anyone who gets in his way, until his whole camp gets sucked into a vicious turf war. In an effort to hang on to his claim on the streets and uphold the Valentine name, Dalton and Ashley fall into a fight of the death. They quickly learn that there is no honor among thieves, and family can sometimes be worse than strangers.
