In his homage to the infinite west that is South Dakota, both past and present, Englishman Fraser Harrison tours well-known locations such as the Badlands, Mount Rushmore, and Deadwood. But there is far more to South Dakota, and the author also spent time in less-travelled areas such as Wounded Knee, the southern portion of the Missouri River, and Harrison, his namesake town. The author's witty, conversational, and detailed commentaries are paired with brief historical accounts to form a travel memoir comparable to those of Bill Bryson, Dayton Duncan, and Paul Theroux. Harrison paints pictures with his prose that let the reader share his experiences on the roads, in the cities, and among the people of small communities that make up the Land of Infinite Variety.
