## **Modern Titan: Death of a Hero (Hero Wars) (Volume 1)** Jeffrey Stagg

Trident City is not a happy place. Its seedy underbelly is full of drugs and crime, like too many cities around the world today.

However, when someone starts killing those who dwell in the shadows, rather than bringing them to justice, the signs begin to point to Trident City's protector, the superstrong flying hero known as Morak.

When a superhuman is suspected of corruption and crime, Charlie Davis must investigate. He is the only one who stands between the overpowerful beings who begin to think of themselves as gods and those on whom they unleash their wrath.

When Charlie is attacked by a mercenary and sent careening into his memory-soaked subconscious, he recalls his father's murder at the hands of a crazed superhuman and how he came to bring them to justice in the only way possible.

Upon regaining consciousness, Charlie is determined to piece together the clues and establish the guilt or innocence of Morak once and for all.

Don't miss the exciting conclusion of *Modern Titan* by Jeffrey Stagg!
