**Puritan Parker: Historical Narrative of Sergeant William Parker, one of the founders of Hartford, Connecticut and a veteran of the Pequot Indian War of 1637** Bernard S. Parker Ph.D.

"Puritan Parker" is an historical narrative that traces William Parker's journey from England to Boston in 1635, his role in the founding of Hartford, CT in 1636, and his military adventures in the Pequot Indian War of 1637. The massacre at Fort Mystic (over 600 men, women and children) was justified on religious grounds and illustrates the dangers when Church and State are one. The Puritan colonists failed to understand the Indian's worldview. They applied their own cognitive yardstick to the Native American culture and misinterpreted the Indians' actions.
