Questionable Practices: Stories Eileen Gunn

Good intentions aren't everything. Sometimes things don't quite go the way you planned. And sometimes you don't plan. . . . This collection of sixteen stories (and one lonely poem) chart the many ways trouble can ensue. No actual human beings were harmed in the creation of this book.

Stories from Eileen Gunn are always a cause for celebration. Where will she lead us? "Up the Fire Road" to a slightly alternate world. Four stories into steampunk's heart. Into a very strange family gathering as they celebrate Christmas. Into the golem's heart. Never where we might expect.
