A must for Rodgers and Hammerstein collectors! This unique folio features 10 of their songs that never received the exposure they deserved plus the last song they wrote together - "Edelweiss." This collection contains songs that were cut from such productions as South Pacific, Oklahoma! and Flower Drum Song. Also contains the first known collaboration by Rodgers and Hammerstein, written for a university varsity show, and the only bona fide Christmas song they ever wrote, "Happy Christmas, Little Friend." Each song is prefaced by notes on its origin.
