**Small Things Considered: Moments from Manliness to Manilow** Joel Schwartzberg

The second collection of personal essays from award-winning and nationally-published author and essayist Joel Schwartzberg examines a variety of tiny obsessions and observations about modern life through the comic perspective of a remarried dad and pop culture junkie. Thirty-six hysterical, heroic, and haunting short pieces sum up a half-lifetime's worth of experiences that range from relatable and reassuring to funny and fervent, and one extolling a certain 70's pop icon that really depends on how you feel about the guy.
