## Storytime: A 52-Week Bible Storybook for Families Catherine DeVries

Want to take family time to a whole new level? Gather around *Storytime*, a brand new Bible storybook from David C Cook. *Storytime* goes beyond a typical Bible Storybook. It begins with a classic Bible story, follows with a modern story, and finishes with a family devotion—all tied together with a Christian theme.

The Bible stories are told in chronological order, from the Old Testament through the New Testament. The light-hearted modern stories offer a glimpse into the lives of other families like yours, with illustrations and formats perfect for early readers. And the devotions help you explore each week's theme together by sharing your own stories, thoughts, and memories, and doing activities to help bring home the point. Each week closes with a prayer and a memory verse.

- 52 Classic Bible stories, from creation to the early church
- 52 Modern stories about families like yours, featuring picture book, comic book, and rebus formats
- 52 Devotions explore "What I learned" and close with a prayer and memory verse

With *Storytime*, children will not only love *learning* Bible stories, they will also *understand* their Christian themes and practice connecting them to daily family life.
