## **The Queen of Swords (Villainess) (Volume 1)** Alana Melos

Meet Caprice, better known as the villainess Capricious Whim.... Caprice is a woman who works hard and plays hard. She's a veteran villain of Imperial City, and what you might call a maladjusted individual. While she plots to achieve her own goals, she's forced to take whatever jobs may come along, and any unintended consequences from them! The heroes don't always win in this world, but being a villain has its own unique set of problems. This is a dark fantasy/science fiction novella with a villain as the protagonist. It features bad people doing bad things for bad reasons, and as such is for mature audiences only. It is a novella which contains explicit sexual material and violence, over 26,000 words in length.
