When We Were Five: The Diary of an American Family Derek Gray

When We Were Five features a unique perspective on the harsh realities of repeated untimely deaths in a family, and the never ending perseverance of life. It is the story of one man's quest to break free from three straight generations of heart disease, and become the first male in his family to reach the age of fifty. It is an emotional roller coaster as the reader watches the heart disease baton get inevitably passed down to the next male Gray in line, hoping and praying that someone will beat this dreaded monster.
