Fantasmagoriana (Tales Of The Dead) A. J. Day

It was on a 'dark and stormy night', during the summer of 1816 that an eccentric group of English literati gathered at the Villa Diodati. The atmosphere at the Villa was charged by the violent streaks of lightening that licked at the mountain tops and split a black sky. As the wind outside whipped up the surface of lake Leman into a cauldron of waves the occupants of the Villa; Lord Byron, Mary Shelley, Dr John Polidori, Percy Shelley and Claire Clairmont, whipped themselves into a gothic frenzy with recitals of haunting poetry and ghost stories. The stories that they read came from a book, originally written in German, that had recently been translated into French. The book that they read from was called Fantasmagoriana. Fantasmagoriana has a unique place in literary history. This is the first full translation of the stories that inspired Mary Shelley's Frankenstein and Dr John Polidori's The Vampyre.
