From the author of *Parallel* comes a high-stakes drama set in the near-future. Imaginative and thrilling, this "intricately plotted, intellectually rich thriller...will please a range of readers, from those searching for a page-turner to those wishing to thoroughly engage the mind." (Publishers' Weekly, starred review)

Fast-forward to a time when Apple and Google have been replaced by Gnosis, a monolith corporation that has developed the most life-changing technology to ever hit the market: Lux, an app that flawlessly optimizes decision-making for the best personal results. Just like everyone else, sixteen-year-old Rory Vaughn knows the key to a happy, healthy life is to follow what the app recommends. When she's accepted to the elite boarding school Theden Academy, her future happiness seems all the more assured. But once on campus, something feels wrong beneath the polished surface of her prestigious dream school. Then she meets North, a handsome townie who doesn't use Lux, and begins to fall for him and his outsider way of life. Soon, Rory is going her own way, questioning Lux and listening instead to the inner voice she's been taught to ignore--a choice that leads her to uncover a truth neither she nor the world ever saw coming.
