### Fundamentals of Public Relations

Public relations provides the means to communicate your ideas and get them accepted—a skill vitally necessary when dealing with new ideas. It is how to gain support for your projects and endeavors.

Generally considered a method to gain publicity, public relations has previously been subjected to severe limitations. This was a field that lacked certain key elements necessary to its success. Now, because of important discoveries in Scientology, advances have made the entire activity significantly more useful and effective.

L. Ron Hubbard's refinement of public relations not only makes it indispensable for any group or any individual, but removes the previously inherent limitations. Although the full technology is extensive, the basic principles covered here will be of immense value to anyone with a worthwhile purpose.

- \* Are you upset at being passed over?
- \* Do you have trouble getting others to recognize your contributions at work?
- \* Is your business not as well-known as you'd like?

For the solutions and answers to these situations, buy and read this booklet.
