For more than 200 years, candidates have campaigned for the highest office in the land, debating the major issues facing the country, capturing the attention of the voters, and reflecting the will of the people.

Presidential elections are the centerpiece of American democracy, as citizens go to the polls every four years to choose a new leader. Prior to the election of George Washington in 1789, no country in the world had ever peacefully transferred power in a national election. We often take this for granted, as American elections have become a model for the entire world. The presidential campaign of 2008 was the 56th in American history and culminated in the election of Barack Obama. It was the most significant event of the year and was seen as a major turning point in American history.

History of American Presidential Elections: 1789-2008, Fourth Edition is an authoritative, completely up-to-date reference set featuring articles on every presidential election in American history, concluding with the groundbreaking election of 2008.
