Wales: A Photographer's Journey David Wilson

Wales: A Photographer's Journey is a collection of over 150 black and white images by noted Welsh landscape photographer David Wilson. In this, his second book, David takes the reader on a unique visual journey through Wales; from Snowdonia in the north to Gower in the south, Pembrokeshire in the west to Hay-on-Wye in the east. Each location forms the subject of its own photographic essay, including insight into technique and composition. David's exploration of his art captures the landscape of Wales in a new, exciting, and evocative way. Breathtaking, enchanting, and at the same time challenging, this book will, quite simply, bring Wales alive.
